Nature and Scope of the advice

I am providing you with financial advice relating to your KiwiSaver and Managed Funds. I only provide financial advice on KiwiSaver and Managed Funds offered by the following provider:

- Booster Investment Management Limited
- Milford Asset Management Limited

The advice I provide is limited in scope. I have not compared all KiwiSaver providers. However, I have included relevant fund information and the scheme's Product Disclosure Statement to support your decision-making.

Reliability History

Neither Cura Advisers Limited nor I have been subject to a reliability event. A reliability event is something that might materially influence you in deciding whether to seek advice from me or from Cura Advisers Limited. As an example, it would include legal proceedings against me, or if I had been discharged from bankruptcy in the last five years.

Fees and Expenses

Cura Advisers Limited does not charge clients directly for fees, expenses or any other amount for any financial advice provided to its clients.

Conflicts of interest and incentives

For KiwiSaver and Managed Funds, Cura Advisers Limited will receive a small amount from the KiwiSaver and Managed Fund providers on whose products we give advice. The fee structure is relatively standard within the industry and most providers offer this.

To ensure that I prioritise your interests above my own, I follow an advice process that ensures my recommendations are made on the basis of your individual goals and circumstances. We undertake a compliance audit, and a review of our compliance programme is undertaken periodically by a reputable compliance adviser which includes reviewing our conflicts of interests' policy.
